This report has been prepared as a result of a brief road test undertaken prior to auction and is intended as a guide opinion only. No detailed inspection has been conducted and so absolutely NO WARRANTY OR GUARANTEE concerning known or unknown faults is given or implied. Buyers are required to satisfy themselves as to the condition of the mechanical components during the inspection period prior to auction. The report covers no item capable of visual inspection such as glass, tyres, body, exhaust system etc. All vehicles are sold with all faults (if any).
